Why Hire?

- Beat the threat of **obsolescence**. Make obsolescence obsolete.
- **Taxation benefits** - renting costs can be shown directly as expenses and reduced from profit for taxation, Rental equipment is off the balance sheet.
- **No maintenance** worries. Our rates include top class on site maintenance.
- **Short term requirements** - Renting allows a flexible approach and allows you to plan your needs at a fraction of the cost you would spend otherwise.
- **Cash flow efficiency** - No need to invest upfront. Rental payments are comparatively smaller and spread as fractional payments over longer periods. This frees your money which could be used for investments in other areas.
- **Rapid Delivery** - Our vast inventory coupled with fast & efficient handling of pre rental paperwork and logistics ensures that the computers are at your office in the shortest possible time.
- **Seminars, Meetings, Training, Presentations** - where you require multiple machine and projection equipment for a very short time
- **Travelling executives** laptop computers and portable printers requirements.
